## Item A

**Functionalist sociologists view the family as being an integral part of society. They suggest that the family provides a range of functions, both economic and emotional for both society and it's members**

**Other theorists criticise this view as being outdated and based upon inequality.**

Applying material from Item A, analyse two functions the family fulfils for society (10)

One function the family performs for society is

### Generic Mark Scheme Format

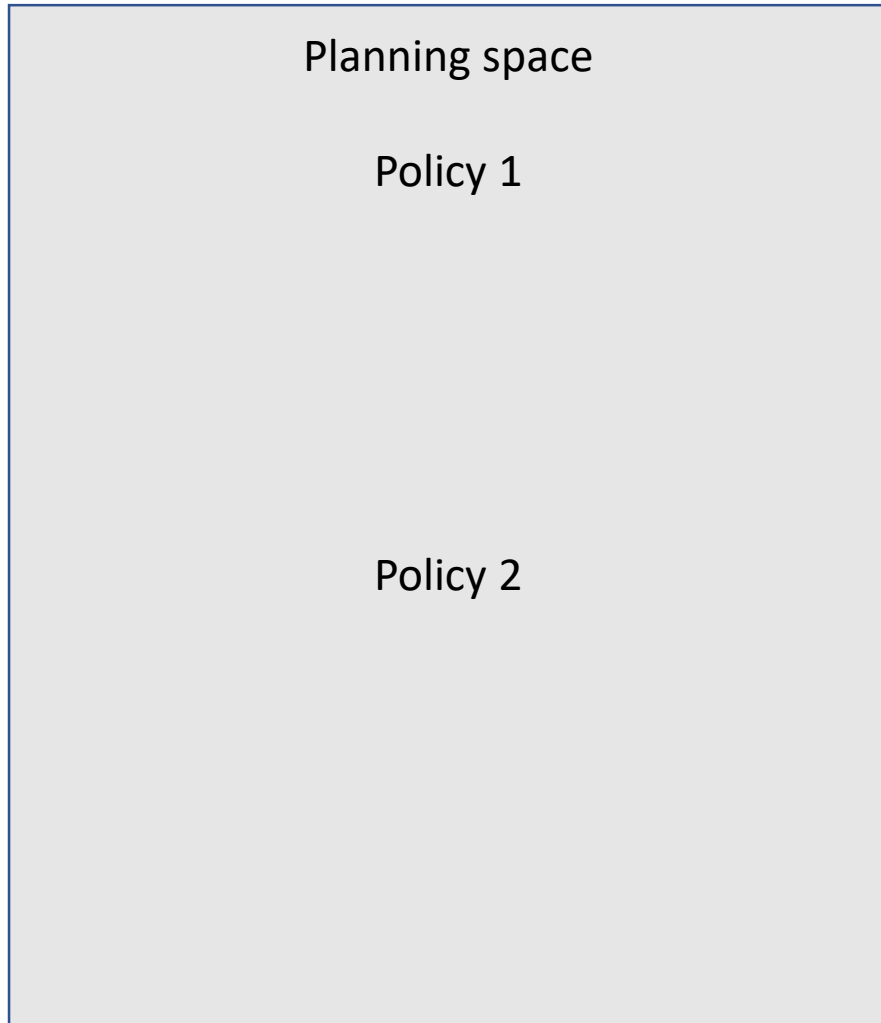

A second function the family performs for society is

Marks Awarded	Level Descriptors
8-10	Good knowledge and understanding of relevant material on the question  Two developed applications of material from the item  Appropriate analysis and evaluation of two reasons
4-7	Reasonable knowledge and understanding of one or two changes  Some successful application of material from item  Some analysis/evaluation
1-3	Limited knowledge and understanding  Limited application to item  No analysis or evaluation
0	No creditworthy material

Annotations: EV=evaluation AN = Analysis C = Concept  
 Ap=Application IT = Item ST = Study

# Starter for 10

Outline and explain two ways in which social policy has reinforced the functions of the family (10)

One social policy that has reinforced the functions of the family is

A second policy that has reinforced the functions of the family is

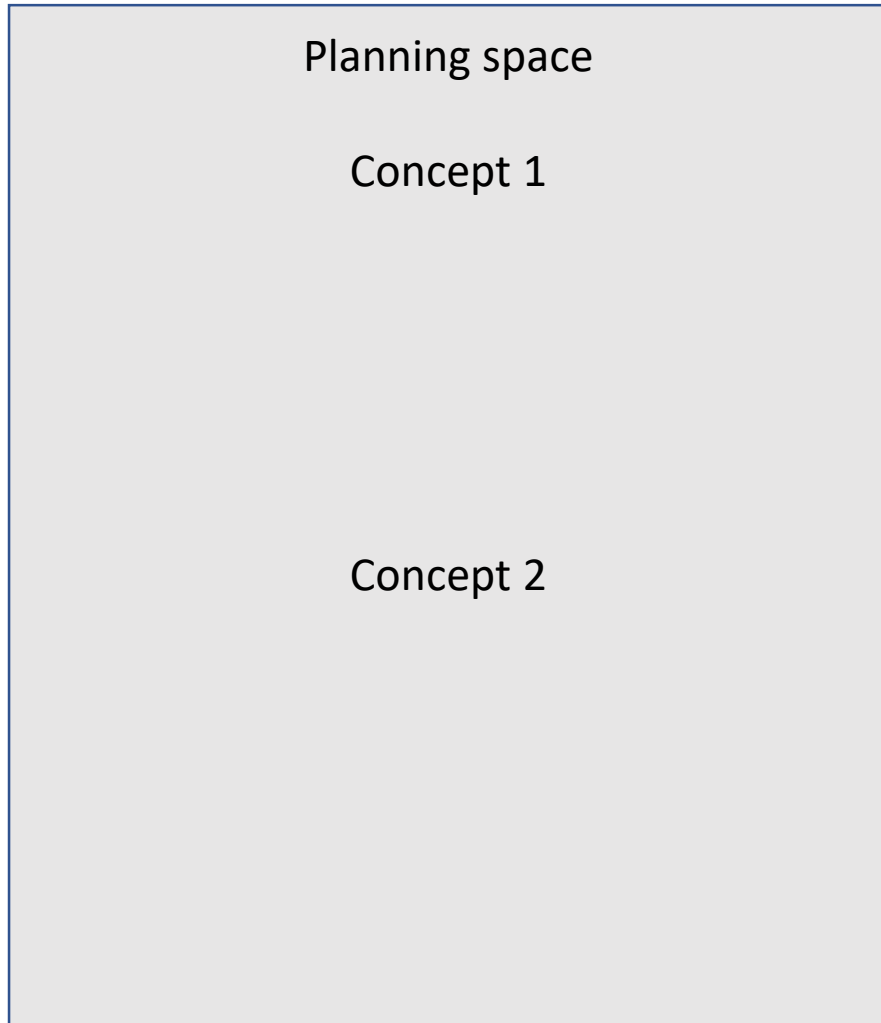

## Generic Mark Scheme Format

Marks Awarded	Level Descriptors
8-10	Good knowledge and understanding of relevant material on the question  Two developed applications of relevant material  Appropriate analysis of two reasons
4-7	Reasonable knowledge and understanding of one or two changes  One of two applications of relevant material  Some basic analysis
1-3	Limited knowledge and understanding  Limited focus on the question  No analysis
0	No creditworthy material

Annotations: EV=evaluation AN = Analysis C = Concept  
Ap=Application IT = Item ST = Study

# Starter for 10

Outline and explain two ways in which women's work has impacted on the experience of children

One way that women's involvement in paid work has impacted on childhood experience is

A second way that women's involvement in paid work has impacted on childhood experience is
